## Boston Flower & Garden Show 2019 Call for Entries

### Numerous Amateur & Professional Competitions for New England's Talented Green Lovers

**Boston, MA (July 27, 2019)** – “*The Beauty of Balance*” will be the theme of the 2019 Boston Flower & Garden Show, announced event producer Paragon Group Exhibitions & Services. The extravagant five-day Show will be at the Seaport World Trade Center in Boston from March 13-17, 2019.

“This year’s show explores the harmony we create within our gardens, vases, and beloved outdoor living spaces,” said Carolyn Weston, Boston Flower & Garden Show Director. “And after another long winter, it will provide the virtual ‘nature bath’ we’re all craving.”

“Our gardens reward us with the ultimate opportunity to unplug from busy lives to connect with ourselves, the earth and each other,” added Weston. “Balance is a key factor in design decisions, plant and material choices, and in cultivating the right-size garden for our lives and budgets.”

Colorful life-sized gardens and vibrant floral designs will celebrate “*The Beauty of Balance*” by incorporating the newest design elements, examples of the popular and healthy food gardening trend, as well as ideas for adopting sustainable gardening practices and enjoying air-cleansing indoor plants. Included will be small-space gardens, homesteading hobbies, edibles-as-ornamentals and family and pet-friendly spaces for outdoor relaxation and entertaining.

The Boston Flower & Garden Show is about inspiring, educating and motivating the region’s gardeners. Whether for curb appeal, backyard, kitchen, rooftop or community garden, this is where New England’s green lovers and families go to discover ideas while having fun.
