## **Boston Flower & Garden Show Announces Preview Party Entertainment Grammy-Nominated Lukas Graham to Perform**

**Boston, MA (February 19, 2019)** – The Boston Flower & Garden Show is proud to announce that the worldwide recording sensation and Grammy-nominated band Lukas Graham is scheduled to perform at the annual Preview Party to benefit The Genesis Foundation for Children.

The **Boston Flower & Garden Show Preview Party** will be on **Tuesday, March 12 from 6:00pm – 9:00pm** at the **Seaport World Trade Center**, 200 Seaport Boulevard in Boston.

This exclusive cocktail party celebrates “*The Beauty of Balance*” with colorful life-sized gardens and vibrant floral designs, providing a rare first look at the beautiful landscaped garden exhibits of the Boston Flower & Garden Show before opening to the public.

The multi-platinum recording pop band will perform a live acoustic set, adding to the evening’s ambiance. Lukas Graham will sing the breakthrough single “7 Years” as well as their newest hit “Love Someone.” They recently have performed on *Jimmy Kimmel Live!*, *The Late Late Show with James Corden*, *Live with Kelly & Ryan* and *Dancing with the Stars*.

The evening will be hosted by MIX 104.1’s Karson, Kennedy and Salt.

The Genesis Foundation for Children supports clinical care, life enrichment and educational programs that care for children with complex genetic disorders, rare diseases and disabilities so that these individuals can reach their full potential and lead happy, productive lives.

Tickets cost \$125 each, \$95 for Young Professionals (40 and under) and can be purchased at [BostonFlowerShow.com](http://BostonFlowerShow.com). This a 21+ event. Heavy hors d’oeuvres, beer and wine will be served. Attendees also will receive a ticket to return to the 2019 Boston Flower & Garden Show, a \$20 value. Discount parking will be available at the Seaport World Trade Center Garage.

The Boston Flower & Garden Show is about inspiring, educating and motivating the region’s gardeners. Whether for curb appeal, backyard, kitchen rooftop or community garden, this is where New England’s green lovers and families go to discover ideas while having fun.
